[ type. **CAGED WET / SMALL.** ]  
[ finish. **GUN METAL.** ]

**Caged Wet is the first outdoor and bathroom lighting series from Buster + Punch, created to complement its Cast Bathroom collection. Caged Wet takes the architectural expression of the brand's original Caged light as its inspiration and adds new attributes to let it thrive in wet environments and outdoors.**

Caged features an architectural precision welded metal cage surrounding its glazing, and a decorative back panel in cast solid metal. Thanks to the casting process, each lamp is unique.

Within the cage lies a solid metal lamp holder, featuring the brand's signature diamond cut knurling, to fit its recognisable designer LED Buster Bulb. The light is completed by Buster + Punch's machined solid metal coin screws.

Caged Wet enhances Buster + Punch's dedicated Cast Bathroom Collection, allowing customers to now create a complete B+P bathroom look. The light also has a slim profile to ensure it fits perfectly into corridors and narrow spaces.

caged Wet is IP44 rated, approved and ADA compliant, for the unique demands of wet-proof applications.
